

# JUST ONE LIXIE REPLACES DOZENS OF LEAD HAMMERS!

## **LIXIE** URETHANE-FACED HAMMERS

Eliminate constant, expensive re-casting of lead hammers! One Lixie Urethane-Faced Hammer lasts indefinitely; screw-in heads may be replaced if needed. Eliminates damage to valuable equipment and parts from worn-down lead-heads, too. Complete Lixie line includes Dead Blow or Solid designs, in hammers or sledges . . . as well as a wide range of machinists' Bronze hammers.
